PROJECT MAP

GLOBAL PROJECTS

He has worked on projects in Tokyo, New York, Seoul, London, LA, Osaka, Shanghai, Beijing, Brussels, Santiago de Compostela, Madrid, Mexico DF, Hanoi, Doha and Dubai among other international locations.

DESIGN METHODOLOGY

Due the global nature of our work the company works in multiple locations worldwide. Our work scope focuses on the development of the Design in 3D, from concept to construction documents. Our main focus relies on innovation and efficiency, by proposing new design strategies, and by avoiding traditional approaches. We use the latest computer and 3D technologies in our design process, producing realistic 3D Computer Graphics to provide our clients with a very accurate idea of the design.

YOUTUBE TOKYO

Tokyo, Japan 2017. By DOX

Proposal for the new YouTube Space in Tokyo. The design was the second place in a restricted design competition, among some of the most recognized designers in Japan. The concept was to use the YouTube design identity as motive for the facade and interiors. The building becomes a huge billboard freestanding in the bustling Shibuya district.

SK-II POPUP TOKYO

Omotesando, Tokyo, Japan 2018. Collaboration of DOX with ALTA NYC & Huge New York.

Collaboration with ALTA architecture and HUGE, for the design of a Pop-up Store, for the cosmetics brand SK-II in the trendy Omote-Sando neighbourhood, Tokyo. DOX was in charge of the 3D design production, and also collaborated with the drawing documentation for the project.

BEE HOUSE SEOUL

Hongdae, Seoul, Korea 2011. By DOX

Hongdae is the hip party area for Seoul's youngsters. We were commissioned the design a casual retail space, by using unfinished materials, the result is a warehouse looking space filled with hexagonal furniture elements based on Bee House's logo and brand identity. The curves and angles add sophistication to the design, acting as an attractor for customers.

ADEAM GINZA SIX TOKYO

Ginza, Tokyo, Japan 2016. 3D's by DOX for HaCo

Flagship store in Tokyo for ADEAM, following the steps of the Midtown location. The Design was created by HaCo, DOX was responsible for the 3D work. The design is simple, elegant, with references to Japanese traditional architecture.

ANAYI TOKYO

Tokyo, Japan 2017. 3D's by DOX for HaCo.

Proposal for new fashion store for Japanese fashion brand ANAYI. Perfect proposal by HaCo, and 3D renderings by DOX. The design is simple, elegant the main concept was a continuous illuminated wall niche.

AGATHA PARIS SEOUL

Gangnam, Seoul, Korea 2015. By DOX

Agatha Paris Store in the fashionable Gangnam district, next to all the big brands. Design and construction was a collaboration of DOX and Bossdesign. The small space was designed and built on a tight schedule, following the brand identity of Agatha Paris.

TOMAHAWK & CHAMPAGNE LONDON

London, UK 2015. By DOX

Tomahawk & Champagne Steakhouse features champagne golds and greens, on this exclusive venue in the center of London. Designed for Giuseppe Mucci. A safe heaven for the dangerously trendy.

PERRIER JOUET SEOUL

Paradise City Casino and Hotel, Seoul, Korea 2015. By DOX

Trendy venue at Incheon's Airport Paradise City Casino. High end Bar for top world class Champagne brand Perrier-Jouet, catering a feminine and sophisticated clientele. The design is a mixture of greens and golds. Collaboration of DOX and Pernod Richard Korea.

PASTACCIO SEOUL

Ilsan, Korea, 2013. By DOX

Italian fine eatery in Ilsan, Seoul. The venue has sophisticated interiors with predomination of greens and wood. Promoted by successful businessman Sewon Baek, a run by an Italian manager Giuseppe Mucci. The restaurant distinguishes itself from others Italian venues, as a truly European establishment.

HOTELS

interiors

MARMARA PARK AVENUE HOTEL

NYC

Manhattan, NYC, USA 2013. Ivan Pazos Senior designer for Joe Ginsberg

The Marmara Hotels property in Park Avenue South, just a few blocks from Grand Central Station. The Hotel targets a sophisticated crowd of Global Nomads. The design is a Collaboration between New York artist Joe Ginsberg and DOX. Art pieces, finishes and applications create an unique space, with its own character and personality.

BAILEY HOUSE WEDDING HALL SEOUL

Gangnam, Seoul, Korea 2019, By DOX

Wedding hall facilities for Bailey House, within a Shilla Stay Hotel in Seoul's Gangnam District. The design included food & beverage and the wedding chapel. The project was a collaboration with Seoul's based firm Wee Associates.
